>>> MEET OUR NEW ASSOCIATE ATTORNEYS

We are excited to welcome two new associates to Tamaki Law. In August, Vasthi Arredondo joined our Kennewick office and Tim Rosewell joined our Bellevue office. Originally from Southern California, Vasthi earned her undergraduate degree from the University of

California, Davis, before receiving her law degree from Seattle University School of Law. Prior to becoming an attorney, she spent nearly a decade working in the nonprofit sector, helping individuals and families navigate difficult circumstances. During law school, Vasthi gained experience in plaintiff side civil litigation through the Washington State Association for Justice Fellowship Program. She brings compassion, thoughtfulness, and a strong commitment to client advocacy to our team.

Vasthi Arredondo

Tim Rosewell

Tim earned his law degree with honors from the University of Montana School of Law, where he served as Managing Editor of the Montana Law Review. Before joining Tamaki Law, Tim has represented survivors of childhood sexual abuse cases involving widespread institutional negligence, handled complex civil litigation, and worked as a commercial general liability claims adjuster for a national insurance carrier. His prior experience gives him a valuable understanding of how insurance companies evaluate and defend claims. Tim brings strong advocacy, thorough preparation, and a commitment to helping clients through difficult circumstances.

COMMUNITY FOCUS

➤➤➤ SUPPORTING LOCAL STUDENTS

3

Our Tri-Cities office was proud to support the 2026 Back to School Bash, hosted by Lutheran Community Services Northwest and Communities In Schools Benton Franklin. The event welcomed more than 2,000 people and provided local students and families with free school supplies as they prepared for the new school year.

Tamaki Law was happy to donate school supplies, and members of our Tri Cities team volunteered at the event, helping distribute backpacks and supplies throughout the evening.

We were grateful for the opportunity to work alongside so many local organizations and volunteers who helped make the event possible. It was a wonderful evening of community and service, helping local students start the school year prepared and excited!
